Project -: Osbourne House Turnstile Installation and Security System

Location -: Northumberland Park Depot, Marsh Lane, London, N17 0XE

Start -: 01/02/2017

Complete -: 10/03/2017

Value -: £59,942

Client -: London Underground - Transport for London - Premises & General Services Team

Contact -: Ash Paine | Assistant Commercial Manager

Email : AshPaine@tfl.gov.uk

Ph. 0203 054 7377 | Auto: 87377

Scope - :

- To supply and install a turnstile with foundation and to make adjustments to the fence line, install Cardax access control and additional CCTV cameras.
- Osborne house is part of Northumberland Depot. Access has been difficult. The new turnstile will improve staff access and the additional cameras will improve the security perimeter..
